December 15, 2008

Dear Sir,

TESTIMONIAL FOR INTERGRATION OF ISO 14001:2004 AND OHSAS
18001:2007 CERTIFICATION

We are proud to inform that Eurocopter Malaysia has been recommended by BVQI for the Integrated EHS Management System (ISO 14001 & OHSAS 18001) certifications on the November 11, 2008.

We would like to thank EFR Management Consultant for the commitment in assisting us in achieving those certificates. We also would like to extend our appreciation to the consultant Mr. Edly Ferdin Bin Ramly and all EFR staffs for their professional consultancy and patience throughout the process.

Thank you very much and we will have no hesitation in recommending your service in future.

Yours truly,

Rosdin Bin Samad
EHS-MS Project Leader
Eurocopter Malaysia Sdn. Bhd.

Syed Abdul Rahman Alhadad
EHS-MS Management Representative
Eurocopter Malaysia Sdn Bhd
